

JACKY ROSEN
U.S. SENATOR FOR NEVADA

VETERANS RESOURCE GUIDE

2020

United States Senate

WASHINGTON, D.C. 20510

Dear Nevada Veterans, Service Members, and Family Members:

Nearly 7% of all Americans have borne the burden of battle in defense of our country. That is especially true for our state, where nearly 1 in 9 Nevadans have served, are currently serving, or are working as civilians within the military. This number doesn't take into account spouses, children, and other dependents who sacrifice and serve in their own way. Many veterans are unaware of the benefits and services available to them, and often find themselves or their family members in need. It is our duty to ensure our veterans, service members, and family members have access to the assistance they deserve.

The contract between a nation and its military service members could not be more sacred. It is in this spirit that we have created this Nevada Veterans Resource Guide.

As my father was a veteran, the military is close to my heart. It is my honor to represent you and fight in the Senate for legislation that will improve the lives of all military, veterans, and their families in Nevada. As a member of the House Armed Services Committee last Congress, I successfully helped secure a 2.6% raise for our service members. I fought against a proposal that would have denied elderly veterans Unemployability designation. Here in the Senate, I've supported legislation that allows military widows to receive their benefits without being penalized for receiving Social Security. I've introduced bipartisan legislation that would expand the existing Work Opportunity Tax Credit (WOTC) to ensure that all student veterans using their GI Bill benefits can take advantage of valuable paid internships or work opportunities while in school. I've sponsored bipartisan legislation to support veteran small business owners. And I am continuing to work to expand access to GI Bill benefits, after last Congress helping to introduce and pass the 'Forever GI Bill,' which expanded the GI Bill for family members, and for veterans who decide to take advantage of their educational benefits later in life.

I hope this Veterans Resource Guide is helpful in connecting you to the rights and compensations you have justly earned. If you require further information, or if you have difficulty in obtaining the benefits and services you are eligible for, please contact my office. Thank you for your service to our nation. On behalf of the great state of Nevada, we are eternally grateful.

Sincerely,

WELCOME

On behalf of Senator Jacky Rosen, welcome to the Veterans Resource Guide for the state of Nevada. We hope this assists you in finding whatever benefits and services you need. The following information is tailored to both Northern and Southern Nevada.

We have done our best to make this guide as user-friendly as possible. This guide is designed to provide you with key information about federal, state, and community-based programs and to serve as a general directory. We should note that this is *not* a comprehensive list of all benefits, services, and organizations in Nevada. That being said, this guide is designed to provide many of the basic details to get you started.

If you need more information, we invite you to contact our office. And as always, we can conduct Congressional Inquiries into various federal agencies, should you require our assistance.

Thank you for your service to our country, and good luck in your search!

EDUCATION

In my time in Congress, I have worked hard to provide more educational opportunities for those who serve in our Armed Forces. It is important that veterans are aware of the various benefits that are available to them.

EMPLOYMENT ASSISTANCE AND VOCATIONAL REHABILITATION PROGRAMS

Our Soldiers, Sailors, Airman, and Marines actively serving should be focused on the job on-hand, not how they'll find a job when they complete their service to our nation. I believe that our commitment to our veterans does not end on the battlefield, which is why I have fought to provide transition assistance from those fighting to protect our freedom to working on rebuilding the American economy.

TAX EXEMPTIONS

Disabled Veteran Tax Exemption

The State of Nevada offers a property tax exemption to any veteran with a service-connected disability of 60 percent or more. The amount of the exemption can be up to \$20,000 and can be applied to a veteran's vehicle tax or personal property tax. Veteran eligibility is as follows:

- Honorable Discharge
- 60 percent service-connect disabled
- Widow or widower of a veteran who qualified for the tax exemption

To determine the actual value of this benefit or to obtain further information, please contact your local County Assessor's office (see below and on the next page).

Veterans Tax Exemption

Veterans who served during wartime (including in-theater service during the Persian Gulf War, Iraq, and Afghanistan Wars) are eligible for an annual tax exemption that may be applied to their vehicle privilege tax or real property tax. Veterans may also "donate" their exempted tax directly to the Nevada Veterans' Home Account, which will contribute the amount toward the operation of a Veterans' Home in Nevada. To obtain this exemption, take a copy of your DD-214 or discharge papers to your local County Assessor.

HOME LOAN AND HOME RETENTION PROGRAMS

Veterans face unique housing issues which make dedicated housing services essential. I have worked to provide these services to our veterans so that they can share in the dream of home ownership.

Home Loan Guaranty Program

Qualified veterans and unmarried spouses of a veteran who died of service-connected disabilities may be eligible to have the home loans guaranteed by the U.S. Department of Veterans Affairs (VA). To apply for a VA Home Loan you must first contact a lending institution that participates in the VA Home Loan Guarantee program.

For specific eligibility requirements, please contact a VA Loan specialist at:

Phone: 1 (877) 827-3702

Website: www.benefits.va.gov/homeloans

Home Retention Programs

Homeowners who are having difficulties making mortgage payments should contact their servicers for assistance. The VA may be able to offer assistance to veterans who have a VA Home Loan Guaranty if the servicer is unable to assist them. The following are some of the options a veteran may qualify for:

- Repayment plan
- Special forbearance
- Loan modification
- Short sale
- Deed-in-lieu of foreclosure

For more information, please contact a Regional VA Loan Specialist at:

VA Regional Loan Center

Phoenix, AZ 85012

Phone: 1 (877) 827-3702

Website: www.benefits.va.gov/phoenix/regional-loan-center.asp

Service Members Civil Relief Act

Veteran borrowers may be able to request relief under the *Service Members Civil Relief Act* (SCRA), formerly known as the *Soldiers' and Sailors' Civil Relief Act* (SSCRA). The SCRA provides service members with certain legal protections while they are on deployment orders. SCRA can provide protection from foreclosures and some contracts.

You should contact your nearest Armed Forces Legal Assistance Program office to see if the SCRA applies. Dependents of service members can also contact or visit local military legal assistance offices where they reside.

In order to have your SCRA case reviewed by the U.S. Department of Justice (DOJ), you must first seek the assistance of your military legal assistance office. If that office cannot resolve the complaint, it may choose to forward the complaint to the DOJ. The DOJ then will review the matter to determine whether DOJ action is appropriate.

For more information, please contact your nearest Armed Forces Legal Assistance Program office or the DOJ at:
