

JACKY ROSEN
U.S. SENATOR FOR NEVADA

Federal Grant Assistance Newsletter

Thank you for signing up for my grants assistance newsletter. This monthly distribution contains news about grants in Nevada and a list of recent federal funding opportunities and ways to access more information about them. Creating the opportunity for more federal dollars to flow into the state of Nevada is deeply important to me.

Grants News

Nevada's [Grant Matching Fund pilot program](#) began accepting applications on January 6 and had its first applicant on day one! If your organization is interested in applying to the pilot program for match funding, be sure to familiarize yourself with the eligibility requirements. The Nevada Grant Office is adding to the frequently asked questions as needed, and the mandatory pre-application video contain a lot of helpful information to assist in your organizational planning.

The Grant Matching Fund pilot program is an outcome of a recommendation from the Nevada Advisory Council on Federal Assistance with goals to reduce applicant organizations from passing on grant opportunities with match requirements and to increase grant funding coming into Nevada. The GMF pilot program was created by the 2019 Legislature with Assembly Bill 489 while Senate Bill 528 appropriated \$1 million in funding for match grant awards to state agencies, local governments, tribal governments, or nonprofit organizations.
