

JACKY ROSEN
U.S. SENATOR FOR NEVADA

Federal Grant Assistance Newsletter

Thank you for signing up for my grants assistance newsletter. This monthly distribution contains news about grants in Nevada and a list of recent federal funding opportunities and ways to access more information about them. Creating the opportunity for more federal dollars to flow into the state of Nevada is deeply important to me.

Grants News

Rosen, Cortez Masto Announce \$450,000 to Help Public Housing Residents Attain Economic Self Reliance

Washington, D.C. – U.S. Senators Catherine Cortez Masto (D-Nev.) and Jacky Rosen (D-Nev.) today announced \$449,849 in grants awarded to Nevada by the U.S. Department of Housing and Urban Development (HUD) to help public housing residents set and complete training and employment goals.

“Nevadans who rely on housing assistance to keep a roof over their heads often face other hurdles to reach economic stability. These grants allow Nevada to take a holistic approach to affordable housing by empowering residents, improving living conditions, and helping our seniors live independently. We’ll continue fighting to bring resources to the Silver State that support struggling families and seniors.”

BACKGROUND: HUD’s Resident Opportunities and Self-Sufficiency (ROSS) grant program connects public housing residents with vocational training, GED classes, jobs, and other services to improve their access to economic opportunity. It can also enable low-income elderly homeowners to age in place. As participants’ earnings rise, their increased rent payments are deposited into an escrow savings account that they

receive when they finish the five-year program. Many residents use their savings to buy a home or invest in education or a business.

ROSS funding was released to the following organizations:

- \$210,599 was awarded to Proventus Place in Henderson, Nevada;
- \$239,250 was awarded to the Southern Nevada Regional Housing Authority in Las Vegas, Nevada.

Rosen, Cortez Masto Applaud Grant for \$2.3 Million Awarded to Nevada for Increased Rural Broadband

Washington, D.C. – Today, U.S. Senators Jacky Rosen (D-NV) and Catherine Cortez Masto (D-NV) released the following statement applauding the U.S. Department of Agriculture’s Broadband ReConnect program for awarding Nevada a grant totaling \$2.3 million to be used for increased rural broadband infrastructure in Nevada’s Elko and White Pine counties.

“Nevadans in our rural communities deserve access to quality broadband internet connections,” said the Senators. “We applaud the USDA for awarding this grant and will continue working to ensure that access to broadband does not become a barrier for Nevadans to obtain quality health care, education and jobs.”

BACKGROUND: USDA’s Broadband ReConnect Program furnishes loans and grants to provide funds for the costs of construction, improvement, or acquisition of facilities and equipment needed to provide broadband service in eligible rural areas.

These grants, loans, and combination funds enable the federal government to partner with the private sector and rural communities to build modern broadband infrastructure in areas with insufficient internet service.

###

Rosen, Cortez Masto Applaud Over \$500,000 in Grant Funding to UNR for Monitoring of Seismic Patterns

Washington, D.C. – Today, U.S. Senators Jacky Rosen (D-NV) and Catherine Cortez Masto (D-NV) released the following statement applauding the United States Geological Survey (USGS) for awarding the University of Nevada, Reno a grant

totaling \$525,200, to be used for maintaining Nevada’s regional seismic network, which helps to make up the Advanced National Seismic Network (ANSS).

“The best way Nevadans can prepare for earthquakes and the resulting damage to infrastructure is to be aware of the warning signs,” **said the Senators.** “We applaud this grant from the U.S. Geological Survey, which will help to fund the University of Nevada, Reno’s program to maintain the regional seismic monitoring network, giving Nevadans early alerts to the threat of earthquakes. With this funding, Nevadans will be better able to take precautions and safety measures in the face of natural disasters.”

BACKGROUND: The USGS collaborates with these institutions and other local partners to ensure the availability of crucial earthquake data and generate products needed for emergency response.

###

Rosen, Cortez Masto Announce Over \$900,000 in Grant Funding to Nevada H.A.N.D. and Neighborhood Housing Services of Southern Nevada

Washington, D.C. – Today, U.S. Senators Jacky Rosen (D-NV) and Catherine Cortez Masto (D-NV) released the following statement announcing two grants totaling \$915,000 from Neighborworks America to Nevada H.A.N.D., Inc. and Neighborhood Housing Services of Southern Nevada, Inc. to be used for on-the-ground needs in the development of affordable and accessible housing.

“Thousands of families in Southern Nevada have a serious need for access to affordable housing,” **said the Senators.** “These grants from NeighborWorks America will help to provide much-needed resources to create safe and affordable places to call home. We will continue to support programs that take important steps to address the housing crisis in our state, and we will continue to work in the U.S. Senate to advance housing solutions for all Nevadans.”

BACKGROUND: NeighborWorks America is a public nonprofit organization established by Congress in 1978. It supports a network of nearly 250 local and regional nonprofit partner organizations that bring together residents, private-sector business leaders, and representatives of local government to address community development and affordable housing challenges in urban, suburban and rural communities. NeighborWorks provides these organizations financial and grant

support, training, technical assistance, organizational assessments, technology tools and other services.

NeighborWorks America has awarded a grant totaling \$472,500 to the Neighborhood Housing Services of Southern Nevada, Inc. and a grant totaling \$442,500 to Nevada H.A.N.D., Inc. Just last week, Senators Rosen and Cortez Masto [sent a letter to the President](#) urging him to request increased funding for NeighborWorks in his FY2021 Budget.
