U.S. SENATOR FOR NEVADA

## Federal Grant Assistance Newsletter

Thank you for signing up for my grants assistance newsletter. This monthly distribution contains news about grants in Nevada and a list of recent federal funding opportunities and ways to access more information about them. Creating the opportunity for more federal dollars to flow into the state of Nevada is deeply important to me.

### **Researchers Invited to Submit COVID-19-Related Research Proposals**

The launch of the COVID-19 High Performance Computing Consortium will provide COVID-19 researchers with access to the world's most powerful high performance computing resources that can significantly advance the pace of scientific discovery in the fight to stop the virus. Researchers are invited to submit COVID-19-related research proposals to the consortium via the online portal which will then be reviewed and matched with computing resources from one of the partner institutions. An expert panel of top scientists and computing researchers will work with proposers to quickly assess the public health benefit of the work and coordinate the allocation of the group's powerful computing assets.
