

# VETERANS RESOURCE GUIDE

JACKY ROSEN  
U.S. SENATOR FOR NEVADA

## United States Senate

### A Message From U.S. Senator Jacky Rosen

Dear Nevada Veterans, Servicemembers, and Family Members:

My father was a World War II veteran, so I have deep respect for the sacrifices our nation's heroes have made to protect our country. That's why I believe Congress has a responsibility to fulfill our promises to take care of our veterans and their loved ones. It is my honor to represent you in the United States Senate and fight to improve the lives of Nevada's veterans, servicemembers, and military families.

Many veterans are unaware of the benefits and services available to them, and often find themselves or their family members in need. It is our duty to ensure you have access to the assistance you deserve and have earned.

It is in this spirit that we have created this Nevada Veterans Resource Guide.

Nearly one in nine Nevadans are either veterans, currently serving in the Armed Forces, or working as civilians within the military. This doesn't take into account the spouses, children, and other dependents who sacrifice so much and serve our country in their own way.

Supporting Nevada's veteran community is one of my top priorities. As a member of the Senate Armed Services Committee, I advocate for our troops, our national defense, and for our state's many military facilities and projects. I've introduced bipartisan bills to provide a tax cut for veterans starting small businesses in underserved communities and help student veterans transitioning from military to civilian life, and I've co-sponsored legislation to support active-duty military families experiencing food insecurity. Last Congress, I introduced legislation that would provide mental health resources to veterans and legislation that would create a simple, easy-to-remember helpline for veterans to obtain information and assistance with all VA services. I have also supported legislation, later signed into law as part of the National Defense Authorization Act, that allows military widows to receive their benefits without being penalized for receiving Social Security.

I hope this Veterans Resource Guide is helpful in connecting you to the benefits and services you have rightfully earned. If you need further information or have difficulty obtaining the assistance or compensation you are eligible for, please contact my office.

Thank you for your service to our nation. On behalf of the great state of Nevada, we are eternally grateful.

Sincerely,

A handwritten signature in blue ink that reads "Jacky Rosen".

United States Senator Jacky Rosen

## WELCOME

On behalf of Senator Jacky Rosen, welcome to the second edition of the Veterans Resource Guide for the state of Nevada. We hope this assists you in finding whatever benefits and services you need. The following information is tailored to both Northern and Southern Nevada.

We have done our best to make this guide as user-friendly as possible. This guide is designed to provide you with updated key information about federal, state, and community-based programs and to serve as a general directory. We should note that this is not a comprehensive list of all benefits, services, and organizations in Nevada. That being said, this guide is designed to provide many of the basic details to get you started.

If you need more information, we invite you to contact our office. And as always, we can conduct Congressional Inquiries into various federal agencies, should you require our assistance.

Thank you for your service to our country, and good luck in your search!

# TAX EXEMPTIONS

## Disabled Veteran Tax Exemption

The State of Nevada offers a property tax exemption to any veteran with a service-connected disability of 60 percent or more. The amount of the exemption can be up to \$20,000 and can be applied to a veteran's vehicle tax or personal property tax. Veteran eligibility is as follows:

- Honorable Discharge
- 60 percent service-connect disabled
- Widow or widower of a veteran who qualified for the tax exemption

To determine the actual value of this benefit or to obtain further information, please contact your local County Assessor's office (see below and on the next page).

## Veterans Tax Exemption

Veterans who served during wartime (including in-theater service during the Persian Gulf War, Iraq, and Afghanistan Wars) are eligible for an annual tax exemption that may be applied to their vehicle privilege tax or real property tax. Veterans may also "donate" their exempted tax directly to the Nevada Veterans' Home Account, which will contribute the amount toward the operation of a Veterans' Home in Nevada. To obtain this exemption, take a copy of your DD-214 or discharge papers to your local County Assessor.

# HOME LOAN AND HOME RETENTION PROGRAMS

Veterans face unique housing issues which make dedicated housing services essential. Senator Rosen has worked to provide these services to our veterans so that they can share in the dream of home ownership.

## Home Loan Guaranty Program

Qualified veterans and unmarried spouses of a veteran who died of service-connected disabilities may be eligible to have the home loans guaranteed by the U.S. Department of Veterans Affairs (VA). To apply for a VA Home Loan you must first contact a lending institution that participates in the VA Home Loan Guarantee program.

For specific eligibility requirements, please contact a VA Loan specialist at:

## Home Retention Programs

The VA may be able to offer assistance to veterans who have a VA Home Loan Guaranty if the servicer is unable to assist them. The following are some of the options a veteran may qualify for:

## Servicemembers Civil Relief Act

Veteran borrowers may be able to request relief under the Servicemembers Civil Relief Act (SCRA), formerly known as the Soldiers' and Sailors' Civil Relief Act (SSCRA). The SCRA provides servicemembers with certain legal protections while they are on deployment orders. SCRA can provide protection from foreclosures and some contracts.

You should contact your nearest Armed Forces Legal Assistance Program office to see if the SCRA applies. Dependents of servicemembers can also contact or visit local military legal assistance offices where they reside.

In order to have your SCRA case reviewed by the U.S. Department of Justice (DOJ), you must first seek the assistance of your military legal assistance office. If that office cannot resolve the complaint, it may choose to forward the complaint to the DOJ. The DOJ then will review the matter to determine whether DOJ action is appropriate.

For more information, please contact your nearest Armed Forces Legal Assistance Program office or the DOJ at:
