

Federal Grant Assistance Newsletter

Thank you for signing up for my grant assistance newsletter. This monthly distribution contains news about recently announced federal funding opportunities and how to apply or get more information about it. Helping eligible grant seekers in Nevada pursue these opportunities so that more federal dollars flow into the state is deeply important to me. I hope you will share this information with your networks and encourage others to sign up for this [newsletter](#).

Grant Assistance from Senator Rosen's office

Letters of Support (LOS)

Some federal grant applications require or allow for letters of support. Let us know if you would like to request a letter of support from the Senator by submitting a request using our [LOS portal](#).

Grant Award Tracking

After you have applied for a specific federal grant, you may need to inquire about the status of your application with the respective federal awarding agency. Contact Regional Representative & Grants Manager at Eric_Cardona@Rosen.senate.gov if you would like more information about your completed application.

Grant Spotlight

Opportunity Title: SOLAR FOR ALL

Administering Department: U.S. Environmental Protection Agency

Grants.gov Opportunity Number: EPA-R-HQ-SFA-23-01

Closing Date: 9/26/2023

Description: This Notice of Funding Opportunity (NOFO) is for the \$7 billion Solar for All competition. This competition will award up to 60 grants to states, territories, Tribal governments, municipalities, and eligible nonprofit recipients to expand the number of low-income and disadvantaged communities primed for distributed solar investment—

enabling millions of low-income households to access affordable, resilient, and clean solar energy. Grantees will use funds to expand existing low-income solar programs or design and deploy new Solar for All programs nationwide. EPA will not fund individual projects under this competition. Opportunity Title: Interventional Cooperative Agreement Program

Administering Department: U.S. Social Security Administration

Grants.gov Opportunity Number: ICAP-ICAP-23-001

Closing Date: 7/31/2023

Description: This funding opportunity will award cooperative agreements allowing the Social Security Administration to collaborate with States, foundations, and other non-federal groups and organizations who have the interest and ability to identify, operate, and partially fund interventional research. The research and interventions under this program will target the increased employment and self-sufficiency of individuals with disabilities, including people of color and underserved communities (whether beneficiaries, applicants, or potential applicants of the Disability Insurance (DI) or Supplemental Security Income programs); coordinating planning between private and public human services agencies to improve the administration and effectiveness the DI, SSI, and related programs; assisting claimants in underserved communities apply for or appeal decisions on claims for DI and SSI benefits; and conducting outreach to people with disabilities who are potentially eligible to receive SSI. Opportunity Title: Analyzing Relationships between Disability, Rehabilitation and Work Small Grant Program

Administering Department: U.S. Social Security Administration

Grants.gov Opportunity Number: ARDRAW-DRW-23-001

Closing Date: 8/10/2023

Description: SSA solicits competition from educational, policy, or research institutions to manage the grant program and distribute the stipends to graduate students for innovative research relevant to rehabilitation, work, and the disability program. SSA management will

identify suggested priority areas of interest. The SSA funded stipend will support graduate students in producing a research project, including any necessary data collection and analysis, and final evaluation report that will expand knowledge and understanding of issues of interest to SSA in the administration of their disability programs. The grant program will require that the managing organization assign an individual or team to serve as program manager to coordinate the student research projects. Opportunity Title: Powering Affordable Clean Energy PACE Program
Administering Department: U.S. Department of Agriculture
Grants.gov Opportunity Number: [Website link](#)
Closing Date: 9/29/2023

Description: The Powering Affordable Clean Energy (PACE) program is part of the [Inflation Reduction Act](#), which represents the largest investment in rural electrification since President Franklin Delano Roosevelt signed the Rural Electrification Act into law in 1936. With \$1 billion in funding, PACE helps make clean, affordable, and reliable energy accessible to the people of rural America. Under PACE, USDA Rural Development's Rural Utilities Service (RUS) will forgive up to 60 percent of loans for renewable energy projects that use wind, solar, hydropower, geothermal, or biomass, as well as for renewable energy storage projects. PACE funding makes it more affordable for rural Americans to use clean, reliable energy to heat and cool their homes, run their businesses, and power their cars, schools, and hospitals.
