

Federal Grant Assistance Newsletter

Thank you for signing up for my grant assistance newsletter. This monthly distribution contains news about recently announced federal funding opportunities and how to apply or get more information about it. Helping eligible grant seekers in Nevada pursue these opportunities so that more federal dollars flow into the state is deeply important to me. I hope you will share this information with your networks and encourage others to sign up for this [newsletter](#).

Grant Assistance from Senator Rosen's office

Letters of Support (LOS)

Some federal grant applications require or allow for letters of support. Let us know if you would like to request a letter of support from the Senator by submitting a request using our [LOS portal](#).

Grant Award Tracking

After you have applied for a specific federal grant, you may need to inquire about the status of your application with the respective federal awarding agency. Contact Regional Representative & Grants Manager at Eric_Cardona@Rosen.senate.gov if you would like more information about your completed application.

Grant Spotlight

Opportunity Title: Fiscal Year 2023 Assistance to Firefighters Grant (AFG)

Administering Department: U.S. Department of Homeland Security-FEMA

Grants.gov Opportunity Number: DHS-23-GPD-044-00-98

Closing Date: 03/08/2024

Description: The AFG Program provides financial assistance directly to eligible fire departments, nonaffiliated emergency medical service (EMS) organizations, and State Fire Training Academies (SFTAs) to equip and train emergency personnel to recognized standards, outfit responders with

compliant personal protective equipment, provide funding to retrofit or modify facilities to protect personnel from known health hazards, acquire emergency response vehicles, design and implement health, wellness and resiliency programs that prepare responders for incident response, enhance operational efficiencies, foster interoperability, and support community resilience. Opportunity Title: Veterinary Services Grant Program

Administering Department: U.S. Department of Agriculture

Grants.gov Opportunity Number: USDA-NIFA-VSGP-010340

Closing Date: 03/21/2024

Description: The purpose of VSGP is to develop, implement, and sustain veterinary services and relieve veterinarian shortage situations in the U.S., which includes insular areas (see Part VIII, D of this RFA for a definition of “insular area”). Grants will be made available on a competitive basis to: 1. Establish or expand accredited veterinary education programs, veterinary residency and fellowship programs, or veterinary internship and externship programs carried out in coordination with accredited colleges of veterinary medicine. 2. Provide continuing education and extension, including veterinary telemedicine and other distance-based education, for veterinarians, veterinary technicians, and other health professionals needed to strengthen veterinary programs and enhance food safety and public health. 3. Cover travel and living expenses of veterinary students, veterinary interns, externs, fellows, and residents, and veterinary technicians. 4. To expose students in grades 11 and 12 to education and career opportunities in food animal medicine. [Click here for more information.](#)

Opportunity Title: Grants for Adaptive Sports Programs for Disabled Veterans and Members of the Armed Forces program

Administering Department: U.S. Department of Veterans Affairs

Grants.gov Opportunity Number: VA-SPORTS-24

Closing Date: 02/15/2024

Description: The Adaptive Sports Grant Program provides grants to eligible adaptive sports entities to plan, develop, manage, and implement programs to provide adaptive sports activities for Veterans and members of the Armed Forces with disabilities. For the purpose of this program, adaptive sports activities include: (1) instruction, participation, and competition in adaptive

sports; (2) training and technical assistance to program administrators, coaches, recreation therapists, instructors, VA employees, and other appropriate individuals; (3) coordination, Paralympic classification of athletes, athlete assessment, sport-specific training techniques, program development (including programs at the local level), sports equipment, supplies, program evaluation, and other activities related to the implementation and operation of the program.

The primary goal for this Notice of Funding Availability (NOFA) is to ensure that appropriate levels of resources are provided to eligible adaptive sports entities with capabilities that are well-suited to meet the needs and priorities for Veterans with disabilities and members of the Armed Forces with disabilities. Opportunity Title: Rural Innovation Stronger Economies (RISE)
Administering Department: U.S. Department of Agriculture
Grants.gov Opportunity Number: RD-RBS-24-01-RISE
Closing Date: 04/01/2024

Description: The Rural Business-Cooperative Service (RBCS, Agency), a Rural Development (RD) agency of the United States Department of Agriculture (USDA), invites applications under the Rural Innovation Stronger Economy (RISE) program for fiscal year (FY) 2023, subject to the availability of funding. The Agency has \$2,000,000 available for the RISE Program for FY 2023. Selected applicants will use Agency grant funds to provide financial assistance in support of innovation centers and job accelerator programs that improve the ability of distressed rural communities to create high wage jobs, accelerate the formation of new businesses, and help rural communities identify and maximize local assets. [Click here for more information.](#)

Opportunity Title: Community Economic Development Planning Grants
Administering Department: U.S. Department of Health & Human Services
Grants.gov Opportunity Number: HHS-2024-ACF-OCS-EE-0152
Closing Date: 05/23/2024

Description: The objective of the CED Planning Grants is to stimulate new projects in underserved and under resourced communities. OCS intends to center equity in this funding opportunity, focusing these resources in

persistent high-poverty areas with struggling economies that have been unable to put forth a viable CED project in the past. The goal of this funding opportunity is to provide CDCs with financial assistance for administrative capacity building. The awards will be a crucial step in connecting CDCs with CED resources for social and revenue reinvestment in local communities to help spark economic growth. OCS is encouraging applications from CDCs that target urban and rural areas. [Click here for more information.](#)
